Director Horticulture (P&M) takes review meeting

Director Horticulture (P&M) today had a detailed interactive session with the Jammu Division AGMOs and G&M Inspectors of the department.

Director asked the officer to be in the field and bring the farmers/growers more closer to the department by alleviating their issues and supplementing their output.

Director Horticulture (P&M) asked the officials to adopt to the changed environment where our department has a huge responsibility in transferring the latest marketing ideas to the growers and traders. He asked each AGMO to name atleast ten progresive growers from their areas of operation.

Later on Director Horticulture (P&M) also had meeting with Engineering wing of the department. He reviewed progress on the ongoing developmental projects. Director emphasised on the wing to expediate the pace of work.
